

**Solutions, Sustainability, Synergy**

## About Tajchem

Established in **1989**, Tajchem—historically known as Taj Al Mulook—is a leading chemical distributor supplying a wide range of products across the globe by providing a one-stop solution for high-quality chemical products and raw materials. The firm has established itself as one of the most reliable partners in the Middle East. Headquartered in Dubai, UAE, it operates globally with subsidiary offices in **KSA, China, Turkey, Egypt, Djibouti, India, and Netherlands**. In the coming years, it plans to expand operations into the **U.S.A. and Latin America**.

With unmatched market insights, industry expertise, and a solid global footprint for over 35 years, Tajchem ranks among the Top 10 chemical distributors in the MENA region and continues to set a reputation for quality, consistency, and technical expertise globally.

## Our Vision

"To be a global leader in the chemical industry, recognized for our unwavering commitment to quality, sustainability, safety, and customer satisfaction. We envision a future where we are the first choice for reliable and innovative chemical solutions worldwide."

## Our Mission

"Our mission is to supply industries with high-quality, innovative chemical solutions tailored to their specific needs. We are dedicated to contributing to the success of diverse sectors by upholding the highest standards of safety, sustainability, and reliability."

## Our Core Values

**T**

– Teamwork & Trust

**A**

– Agility & Accessibility

**J**

– Judiciousness & Joviality

**C**

– Customer Focus & Commitment

**H**

– Hard Work & Honesty

**E**

– Excellence & Expertise

**M**

– Motivation & Making a Difference

# Strategic Warehousing Locations

At TajChem, we're proud to offer a reliable global chemical supply through our well-connected network of warehouse facilities and efficient delivery services. With strategically located warehouses in **Riyadh, Saudi Arabia**, and across the **UAE**, we ensure fast and smooth distribution to key markets across the Middle East and beyond.

Our advanced storage facilities are designed to handle a wide range of chemicals and raw materials, including hazardous materials. Equipped with modern safety systems, fire protection, and first aid support, our warehouses guarantee safe chemical storage and smooth logistics operations.

Whether it's shipping full container loads worldwide or customizing chemical product portfolios to match our customers' specific needs, we've got the flexibility and expertise to make it happen. TajChem is your trusted partner in raw material sourcing—helping you save time, reduce costs, and keep your supply chain running without disruptions.

to optimize your operations.

# Business Divisions

At Tajchem, we provide a comprehensive portfolio of high-quality chemical products and services tailored to meet the unique needs of industries worldwide. Our commitment to innovation, reliability, and customer satisfaction ensures we deliver solutions that drive growth and operational efficiency.

## Base Oil & Additives

A complete range of base oils & additives tailored for all industries.

## Construction Chemicals

Advanced solutions in construction chemicals for every building need.

## Food & Feed Ingredients

A complete range of food and feed ingredients tailored for all industries.

## Plastic & Polymers

Versatile polymer solutions for a wide range of industrial applications.

## Paints & Coatings

Premium solutions for paint, ink, & coating industries, ensuring lasting quality.

## Polyurethane Chemicals

A comprehensive portfolio of chemical solutions for every industry.

## Technology Division

Expert in Mechanical, Electrical & Instrumentation services with quality EPIC solutions.

# Base Oil & Additives

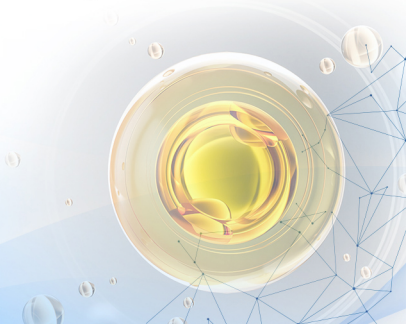

---

Tajchem is a Global Supplier of Base Oil and Additives Packages. With a commitment to excellence, we offer a diverse range of products that includes Base Oils, Tammech Additive Packages, Components, Viscosity Modifiers, PMA – VI Improvers & PPD's, Brake Fluids, Coolants, and Grease. Our dedication to quality, innovation, and customer satisfaction sets us apart as a reliable partner in meeting the lubrication and additive needs of industries worldwide.

## Our Products

---

- **Base Oil**
- **Viscosity Index Improvers**
- **Additive Packages**
- **Other Additives**

# Construction Chemicals

Tajchem is your trusted partner for advanced construction chemicals, providing innovative solutions to build tomorrow's infrastructure today. Our extensive portfolio includes high-performance adhesives, durable sealants, and innovative coatings, all engineered to enhance the strength, durability, and sustainability of modern structures. With decades of expertise and a commitment to excellence, Tajchem delivers cutting-edge products that optimize construction processes, improve efficiency, and ensure long-lasting performance. Elevate your projects with Tajchem's reliable and high-quality construction chemicals.

## Our Products

- **Epoxy Systems**
- **Polyurethane Systems**
- **Water Based Systems**
- **Cellulose Ethers**
- **Re Dispersible Powders**
- **Powder Based Additives**
- **Liquid Based Additives**
- **Coal Tar**
- **Sealants & Adhesives**
- **High Alumina Cement**
- **Amines (TETA, DETA, AEP)**
- **Anti Carbonation Coating**
- **Road Marking Water Based**
- **Other Chemicals**

Authorized  
Distributor

# Food & Feed Ingredients

Tajchem, is a leading supplier of food and feed ingredients, catering to diverse industries with precision and expertise.

## Our Products

- Dairy
- Beverages & Juices
- Bakery & Confectionary
- Meat/Snack
- Flour Mills
- Edible Oil Mills
- Poultry & Feed Millers
- Seeds & Pulses
- Spices & Coffee

## Our Partners

# Plastic & Polymers

---

At Tajchem, we supply high-quality polymers sourced from trusted global manufacturers, tailored to meet diverse industry needs.

## Our Products

---

- HDPE
- LDPE
- LLDPE
- PP
- PET
- PVC
- PC
- PS

## Our Partners

# Paint & Coatings

Tajchem has been a leading supplier of paint chemicals, specializing in paints and coatings. We provide high-quality emulsion copolymers, ideal for both interior and exterior applications, ensuring superior performance and reliability for our clients.

## Our Products

- Water Based Emulsions
- Epoxy Resins & Hardeners
- Polyurethane Systems
- Water Based Additives
- Solvent Based Additives
- Organic/Inorganic Pigments
- Iron Oxide Pigments
- Titanium Dioxide
- Tinting machine
- Protective Pigments
- Biocides
- Plasticizers (DOP, DBP,DINP)
- Bentonites
- Organic Clay
- Fillers
- Solvents
- Fandecks, Shade Card
